

Advanced School of Architecture
IV Edition ASA 2024 - 2025

MASTERCLASS HÉLÈNE BINET

8th - 15th January 2025
Politecnico di Milano

Milano Leonardo Campus
Building 2, room 2.2.2

Over a period of forty years, the renowned photographer **Hélène Binet** has been capturing the essences of many prominent contemporary and historical architecture, featuring the works of **Pikionis**, **Le Corbusier**, **Peter Zumthor**, and **Zaha Hadid**. In January, she will lead an architectural photography masterclass of 20 Polimi students in the Advanced School of Architecture (ASA) Honours Programme.

This masterclass will be opened to public attendance in the following events:

Wednesday 8th January 17:30 - 19:00

Evening lecture

Alessandra Chemollo (Venezia) &
Isabella Balena (Milano)

Thursday 9th January 17:30 - 19:00

Evening lecture

Marco Introini (Milano)

lectures are held on-campus at room 2.2.2.

Friday 10th January 18:30 - 20:00

Book Launch @Triennale di Milano, spazio Lab

Hélène Binet & Marco Iuliano

To celebrate the publication of the monograph **Hélène Binet** (Lund Humphries, 2024), come join us for a conversation between architectural photographer **Hélène Binet**, and architectural historian and critic **Marco Iuliano**, one of the two editors of the volume.
