Previous Career Evaluation for Transfer Requests 2025/26 Academic Year

1. All documents required for the purposes of the past career evaluation must be uploaded at the time of the evaluation request. Additional documents uploaded after the deadline will not be accepted.
2. The lists of courses self-certified when completing the online application must correspond to those in the certificate of examinations taken.
3. Students with foreign qualifications: guide on how to apply at the following link:
<https://www.polimi.it/en/prospective-students/transfers-and-other-specific-cases>
Lists that differ between the translation and what the student entered will not be taken into consideration.
4. The exams already taken and declared in the evaluation application will be considered
5. In case of doubt that the CFU necessary for the transfer will not be validated without an admission test/exam, we recommend that you take the relevant test/exam for the 2025/26 academic year.
